4th November 2010

Dear Sir or Madam

Allow me to present you herewith my application for political asylum, as a British citizen.

I am seeking to be protected from UK National Authorities, as a consequence of the kind of experiences that are documented on www.kirkflyingvet.com

The site proves the degree to which I have been persecuted, which includes imprisonment.

The final event was a telephone call that announced a Warrant for Arrest.

With many thanks in advance,

Maurice J Kirk BVSc
