Dear Mr Kirk

Further to your telephone call this morning, please find enclosed as requested a copy of the correspondence with enclosures that Morgan Cole Solicitors sent to me. I supply this to you as requested by District Judge Jenkins. This is the correspondence that the Judge had before him at the hearing on the 20 December. It outlines the objections that Dr Williams has to the removal of condition number 6 of the Restraining Order.

In the meantime I have checked with our Trials Unit, which deals with Crown Court cases, about the draft of the restraining order arising out of Crown Court proceedings on 2 May 2012, that you have been trying to obtain. They have confirmed to me that they have been unable to locate this document and will not be able to supply a copy of it as it cannot be found.

Yours faithfully

A handwritten signature in blue ink, appearing to read 'A.J. Dicken', is written over the typed name.
