

## Statement of Truth

12<sup>th</sup> May 2013

I, Anthony Glen Gafael of 6 Ogmores Rd, Caerau, Cardiff, confirm that the content of this, my statement, consisting of two pages, is true to the best of my belief and say as follows:

1. Sometime in May 1995 both I and **Alison Jenner**, the daughter of **Chief Inspector Brian Jenner** agreed to rent a flat in the process of renovation above the veterinary surgery. The address was 175 Cowbridge Road West, Cardiff.
2. I hope to re visit the premises before I give evidence.
3. The week before the water damage Mr Kirk stated the tenancy was not going to work and too dangerous to inhabit.
4. On 6<sup>th</sup> June 1995 I returned to 175 Cowbridge Road West, Cardiff flat, above the veterinary surgery, to find it all barricaded by a roller shutter locked down across the entrance.
5. I telephoned both my parents and those of Alison Jenner, my girl friend and waited for them to arrive.
6. All arrived within twenty to thirty minutes making five of us standing outside the front door.
7. My belongings were in sealed white bags in the ally way to the left side of the property.
8. Mr Jenner telephoned his officers and described the situation to several of them. Every one heard the conversations.
9. After about ten minutes a van load of police arrived with five or six police officers who got out of the van. I believe there was also a police car that turned up as well.
10. There were about a dozen of us now outside the premises.
11. Mr Jenner and one of the police officers then went off to the side, out of hearing and discussed something for at about five minutes.
12. Sergeant Roe then turned up and said I was to go up to the Ely Police station later.
13. There was still some of our furniture in the flat.
14. As an 'aside' sergeant Roe said to me, "I will be a witness to your entry. You can use *reasonable force (wink, wink), do what you want*".
15. The police opened no bags.
16. Police went and interviewed owner of the flat.
17. All left bags.
18. Bags In Jenner's car, possibly and my parents possibly also carried some home.
19. I went to parents flat, 6 Ogmores Rd.
20. When Mr Kirk asked about sledge hammer and crow bar my reply was, "it was a feasible possibility".

21. Then went back to Ely police station and Sergeant Roe in the dark at about 8pm and signed a document re proposed breaking in. [Why not tell me Kirk asked. People in the group trying to get hold of me, possibly Mr Jenner].
22. Then walked back to the flat with Roe.
23. I used the sledge hammer and crow bar to break in.
24. It was obvious to me that there was some obvious agenda re police against Mr Kirk"
25. It was not going away. The police were indicating that a lot was going on than I was being told about.
26. On the day after the 6<sup>th</sup> June I went into the surgery alone and complained to receptionist's boy friend that he had nicked my belongings from the flat.
27. A few days later, by appointment by phone, I go back to Ely police station and make a long statement. I only made one statement.
28. Date, I cannot remember.
29. I was told Mr Kirk had been arrested on the day or a couple days later by police.
30. When asked for what Mr Kirk was arrested (by Mr Kirk) I said: Eviction and sub letting property not even Mr Kirk's. (Not arrested for criminal damage or theft).
31. While we and Mr Jenner were putting in furniture in the flat, before the 6<sup>th</sup> June, a neighbour told us Mr Kirk should not be renting as part of the sale was not allowing to sub let. .
32. They didn't give a shit about the (Scanner for court obliterated value) criminal damage and theft.
33. From then on I was 'out of the loop'. Police did not bother me again.
34. The week before the water damage Mr Kirk stated the tenancy was not going to work and too dangerous to inhabit..

Signed

A G Gafael.
