Dear Mr Turk.

As requested your release is now calculated to be this Friday 4<sup>th</sup> July.

You will be released from HMP Cardiff and will be given a travel warrant to Quay House (Apparatus premises) Swansea.

You are subject to licence conditions as a MAPPA 3.

Those conditions will be given to you tomorrow at your discharge board and you will be asked to sign these. I have as a courtesy explained this to you today.

As discussed you will reside at Quay House + meet with your offender Manager.

I am asking that you make preparations for the removal of all your legal paperwork between today and Friday. I am requesting that you contact all of your friends and ask if they will meet you upon release or find to take possession of your documents. I have provided you with bags + seal for the safety of your documents.
